Beyond the Curb is a series of one-day self-guided urban living tours. The series is a rare opportunity to explore a variety of residential and mixed-use properties while enjoying the finest amenities of the urban lifestyle.

Whether you're an empty nester, a hatching young professional, or anyone in between, go Beyond the Curb to discover urban living in a new context. Explore twelve high-profile Covington properties, enjoy free parking at lots throughout the tour route, receive event-day coupons from local businesses, and enter to win a raffle prize.

Jeanne Schroer, President/CEO of The Catalytic Fund explained, "The Catalytic Fund's mission is to accelerate the momentum of our urban renaissance. This event will highlight opportunities to experience the quality and ease of the urban lifestyle for both current residents and those being introduced to the area for the first time."

Beyond the Curb kicks off in Covington on April 19 and will be from 10 a.m. to 4 p.m. The City of Covington has undergone a dramatic transformation, creating a precedent for urban renaissance in the region. Over the past three years, more than \$20 million in new development has occurred and another \$165 million is in the works. This swift recovery is largely a result of developments that will be featured on the tour in April.

Beyond the Curb will reveal twelve unique properties in Covington's dynamic Licking Riverside, Pike Street Corridor, and MainStrasse Village neighborhoods.

Registration is from 10 a.m. to 3 p.m. at the Braxton Brewing Company, 27 West Seventh Street in Covington.

Buy tickets [here](#). Early bird admission is \$15 and admission the day of is \$20.
